PHYSICALS

A valid/current physical MUST BE ON FILE in the health or athletic office BEFORE any student can try out for a sport. There are NO EXCEPTIONS to this rule. DO NOT turn your physical in to the Coach on the first day of tryouts. Sport physicals can be done by your family's doctor or at a walk-in clinic.

- If your doctor will perform the physical please ask them for a printed copy for the school nurse. Make sure the date is recorded on the physical and it's signed or stamped by the Physician.
- If you use a walk-in clinic, please download and print the "Health Appraisal Form" and take it with you to the clinic. You can find this form on the Clarence District web site (www.clarenceschools.org). Choose "Athletic Forms" from the drop down Athletics tab, then "Health Appraisal Form". The physician at the walk-in clinic must complete our health appraisal form. The walk-in clinic's forms will not be accepted as it does not include all required information. The following is a list of some of the walk-in clinics that will do sport physicals:

- o Immediate Care, 7616 Transit Rd. Williamsville NY 14221, 716-204-2273
- o MASH Urgent Care, 5965 Transit Rd, East Amherst NY 14051, 716-362-1093

We suggest you schedule an appointment.

START DATES – TIMES – LOCATIONS

Please refer to the Athletics page of the District web site for start dates, times and locations. It is recommended that you check this information periodically for last minute changes. Students are expected to show up on time, be prepared and ready to practice. It is the student's responsibility to discuss with their coach when and where practices will be held after their first initial day of try-outs.
