March 17, 2020

Dear Families,

On March 15, 2020, the Erie County Department of Health, County Executive Mark Poloncarz, and I released news that an individual who tested positive for COVID-19 was from Clarence. The press release stated that a child who resided in the same household as the individual who tested positive was a student at Clarence Center Elementary School, and that the student would be tested for the coronavirus.

The Department of Health has informed me that the **test results on the student are negative**. The student is not infected with COVID-19.

Sincerely,

Geoffrey M. Hicks, Ed.D.

Superintendent
