Dear Families,

Today, Governor Cuomo extended the order to close schools for the remainder of the 2019-20 school year.

The District will continue to provide continuity of instruction through remote learning. Students should engage with their teachers and complete assigned academic work.

The District will also continue serving meals on school days and providing child care in conjunction with the YMCA of Buffalo Niagara.

There was no announcement regarding an official end date for remote learning. When the day is disclosed, we will communicate with families. As we receive additional guidance, we will also communicate decisions regarding end-of-year activities.

Thank you for your patience and support. Please stay safe and be well.

Sincerely,

A handwritten signature in black ink that reads 'Geoffrey M. Hicks'.
