June 9, 2020

Dear Families,

Over the past month the school district has been putting together plans for reopening schools in September. We have yet to receive guidance from the Governor or the State Education Department (SED), but we are following generally accepted guidelines from the CDC and Department of Health.

As part of our planning efforts we are seeking input from parents. A short survey has been developed by Erie County School Districts to solicit parent feedback on reopening. Parents can access the survey at: <https://tinyurl.com/yaxa2u2a>.

We respectfully ask that you complete the survey by June 20, 2020. The results will be used to help us formalize reopening plans. We will also use the data to inform statewide decision makers.

We will continue to communicate with families over the summer months as reopening plans solidify.

Stay safe and be well.

Sincerely,

Geoffrey M. Hicks, Ed.D.

Superintendent
