Faites attention!:

aider / assister / attendre

réussir à / passer / rater (un examen)

monter / montrer

rester / se reposer

visiter / rendre visite à

défendre / protéger

maigrir, mincir & grossir do NOT mean to be skinny, fat.... They are action words – losing weight, gaining weight...

The length of this list may seem overwhelming. But the only “new” vocabulary this year is underlined. Everything else is material we used in Français 2 & 3. The challenge is to make sure you still remember it.

HW – Cover up the English column so you can't see the meanings. Hi-lite the French verbs that you don't know.

Voilà! – you've got a clear list of what you need to study.
