Morning Drop-Off

Parents may drop off students using the front loop beginning at **8:00 am**. Students should be dropped off at the furthest door indicated with a red X.

Parents may use the Aud entrance as well beginning at **8:35 am**.

It is critical drivers adhere to traffic flow, reduced speeds, and stop at crosswalks. Do not attempt to pass cars. Thank you for your patience.

Afternoon Pick Up

Parents are permitted to pull into the **front loop**. Parents are asked to pull forward with traffic while you wait and avoid blocking cars in the parking lot.

Afternoon pick up is also available from the **Auditorium** entrance. Please follow the traffic pattern illustrated on the map. We ask that you are patient, do not attempt to pass vehicles, and follow the directions of our traffic team.
