Assistant Principal

April 29, 2021

Dear CMS Parents/Guardians:

We are aware that afternoon dismissal has been slow because of the increased number of parents/guardians picking up their children. There are several things we will do to try to alleviate the congestion:

- Left-hand turns onto Greiner road are discouraged.
- 6th graders should be picked up on the auditorium side of the building. This practice conforms to pre-pandemic times.
- 7th and 8th graders should be picked up in the front of the school. This practice also conforms to pre-pandemic times.
- Families with students in two grades are encouraged to use the front entrance as well.
- Waiting to arrive until 3:40 or 3:45 will help with the flow.

Again, please use patience and caution when driving on school grounds. Please follow the directions of the school employees and School Resource Officers who are directing traffic and supervising students.

We appreciate that you have chosen to drive your child, please work with us to preserve the safety of all children during this unusual year.

Sincerely,

Robert E. Moore
Principal
