Dear Parents/Guardians of 100% remote students:

Wednesdays will now be dedicated to material pickup for 100% remote students. Parents/Guardians can pick-up materials from the front entrance of the Middle School between the hours of 9 a.m. and 2 p.m. every Wednesday.

Teachers will reach out to parents/guardians and students to alert them if anything needs to be picked up on a particular Wednesday.

Should you have technical difficulties with a school issued device any day of the week, please contact house offices to troubleshoot the issues. House offices will notify you when replacement devices will be available for pick up.

As always, if you have a question or concern regarding this or other aspects of school life, please reach out to your grade level counselor or house principal.

Sincerely,

Mr. Robert Moore
Principal
