

MySchoolBucks

CAFETERIA PURCHASES BY CASH OR PREPAYMENTS WITH THE MYSCHOOLBUCKS SYSTEM:

- High School and Middle School students will be asked to enter a pin number (the last seven digits of their student identification number) when making a meal or snack purchase. A student is assigned an ID number upon entering the Clarence Central School System. The ID # remains with them as long as they are enrolled in the District.
- At the elementary level, cafeteria cashiers will confirm the identity of students via a grade-level picture screen.

A family friendly system for online prepayments and nutrition education

PREPAYMENT OPTION

MySchoolBucks offers an option for parents that provides a convenient, easy, and secure way to deposit money in their child(ren)s meal account using a credit card, debit card, or PayPal account. Prepayments may be made:

- In person by cash or check payable to Clarence Schools*

OR

- Online by registering with MySchoolBucks.com®

*Please write your child's name & Student Identification Number on the check.

REGISTRATION

Registering with **MySchoolBucks.com®** is free, convenient, and takes just five easy steps:
